

PHOTO REQUIREMENTS

INTRODUCTIONSHEETS - CHILD AMBASSADOR

- The file size is at least 1 MB (MegaByte); make sure you use a good camera
- The child's face is clearly visible
- The lighting is good – avoid bright sunlight
- The photo is not blurry
- No dates or other text on the photo

Tips:

Comfort the child before taking a photo, a smile is always welcome! Be spontaneous and creative.

There is at least 1 cm space around the child

No people in the background

The photo is taken from eye level (crouching position when taking the picture)

The child is completely visible (from head to toe)

Good example

The photo is positioned vertically (portrait mode, 4:3)

PHOTO REQUIREMENTS

INTRODUCTIONSHEETS – FAMILY AMBASSADOR

- As many family members as possible are present. The photo includes the caretakers themselves
- The file size is at least 1 MB (MegaByte); make sure you use a good camera
- The lighting is good – avoid bright sunlight
- The photo is not blurry
- No dates or other text on the photo

Tips:

Be creative. Showing crops, cattle, school materials etc. is a plus!
